

LIONS CLUB OF BARODA RISING STAR

District 3232 F1 · Region 6 · Zone 1 · Vadodara, India

Automation Workflows

Enterprise node-graph blueprint — every trigger, AI agent, integration and route, wired end-to-end.

1

New Member Onboarding

Intake -> AI agent -> route -> notify

2

Donation -> Receipt & Thank-you

Capture -> verify -> AI receipt -> deliver

3

Daily Automation (Vercel Cron)

Schedule -> engine -> multi-channel dispatch

4

Lions SSO Sign-in (OIDC)

PKCE -> JWKS verify -> member upsert -> session

5

Sync Engine (CSV · REST · Webhook)

Trigger -> validate -> upsert -> audit

6

Event QR Check-in (Mobile)

Scan -> verify -> attendance -> confirm

7

Invoice & Payment Collection

Invoice -> pay -> reconcile / remind

8

Social & Creative Publishing

Activity -> AI creative -> approve -> publish

LEGEND

Trigger

AI agent / processor

Capability (model/tool)

Decision (true/false)

External service

Action / channel

main path

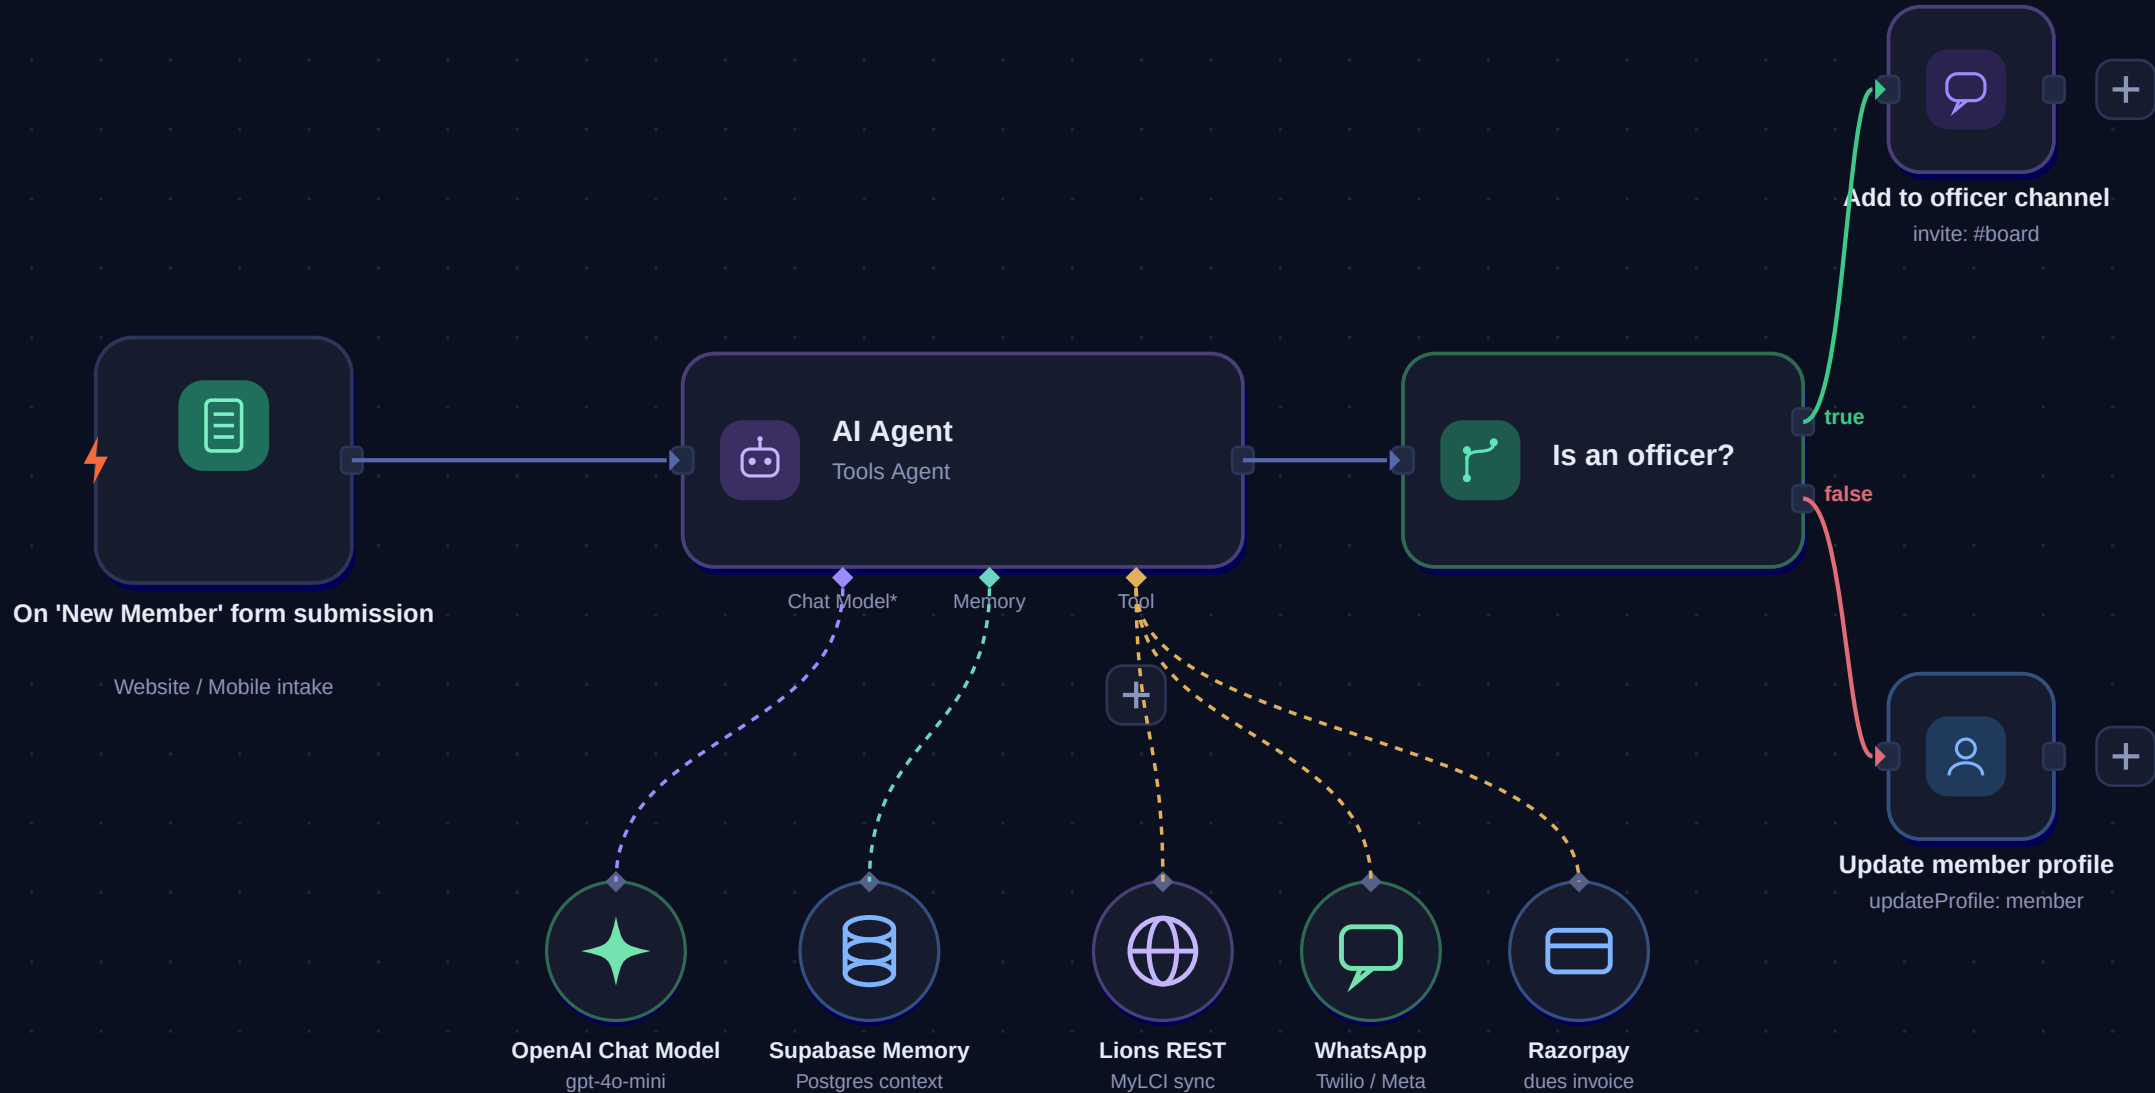

agent capability (model / memory / tool)

Workflow · New Member Onboarding

Lions Club of Baroda Rising Star · automation canvas

Trigger -> AI Agent (model · memory · tools) -> routing -> notify, exactly like an n8n graph

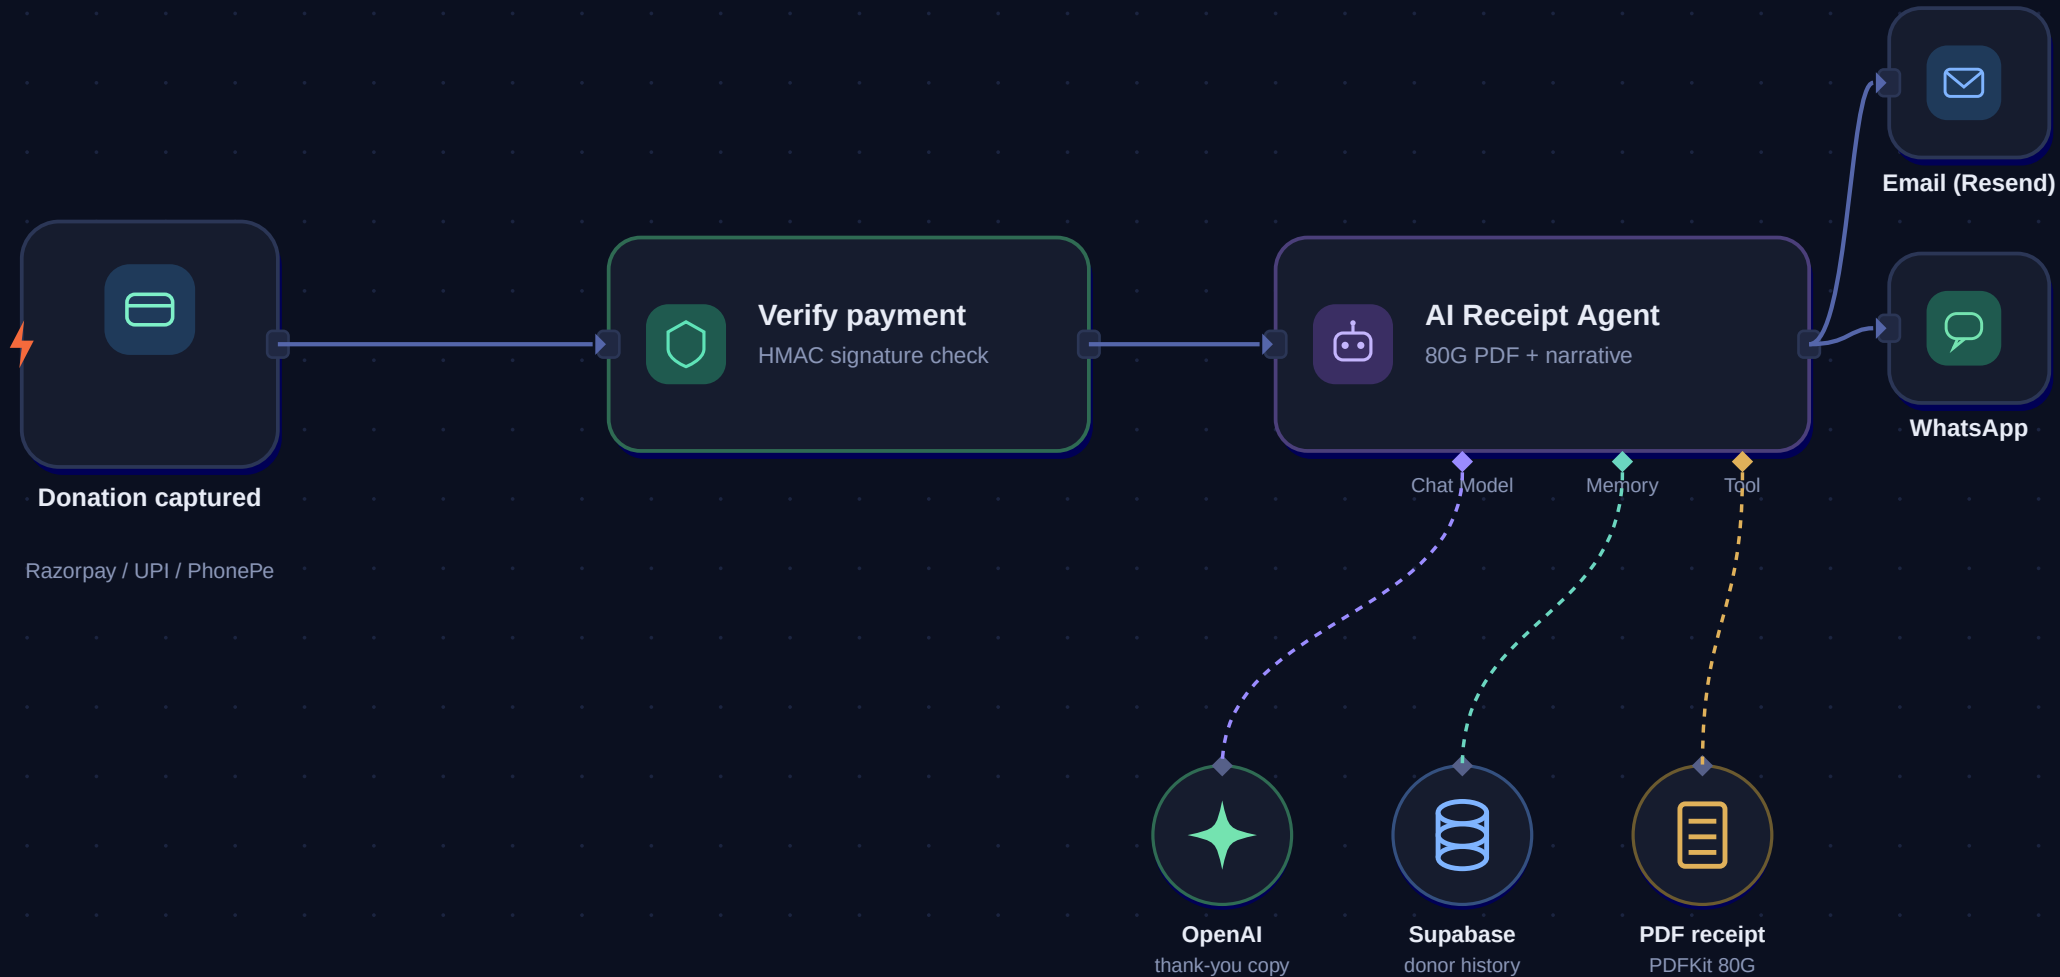

Workflow · Donation Received -> Receipt & Thank-you

Lions Club of Baroda Rising Star · automation canvas

Payment captured -> verify -> AI receipt + multi-channel acknowledgement

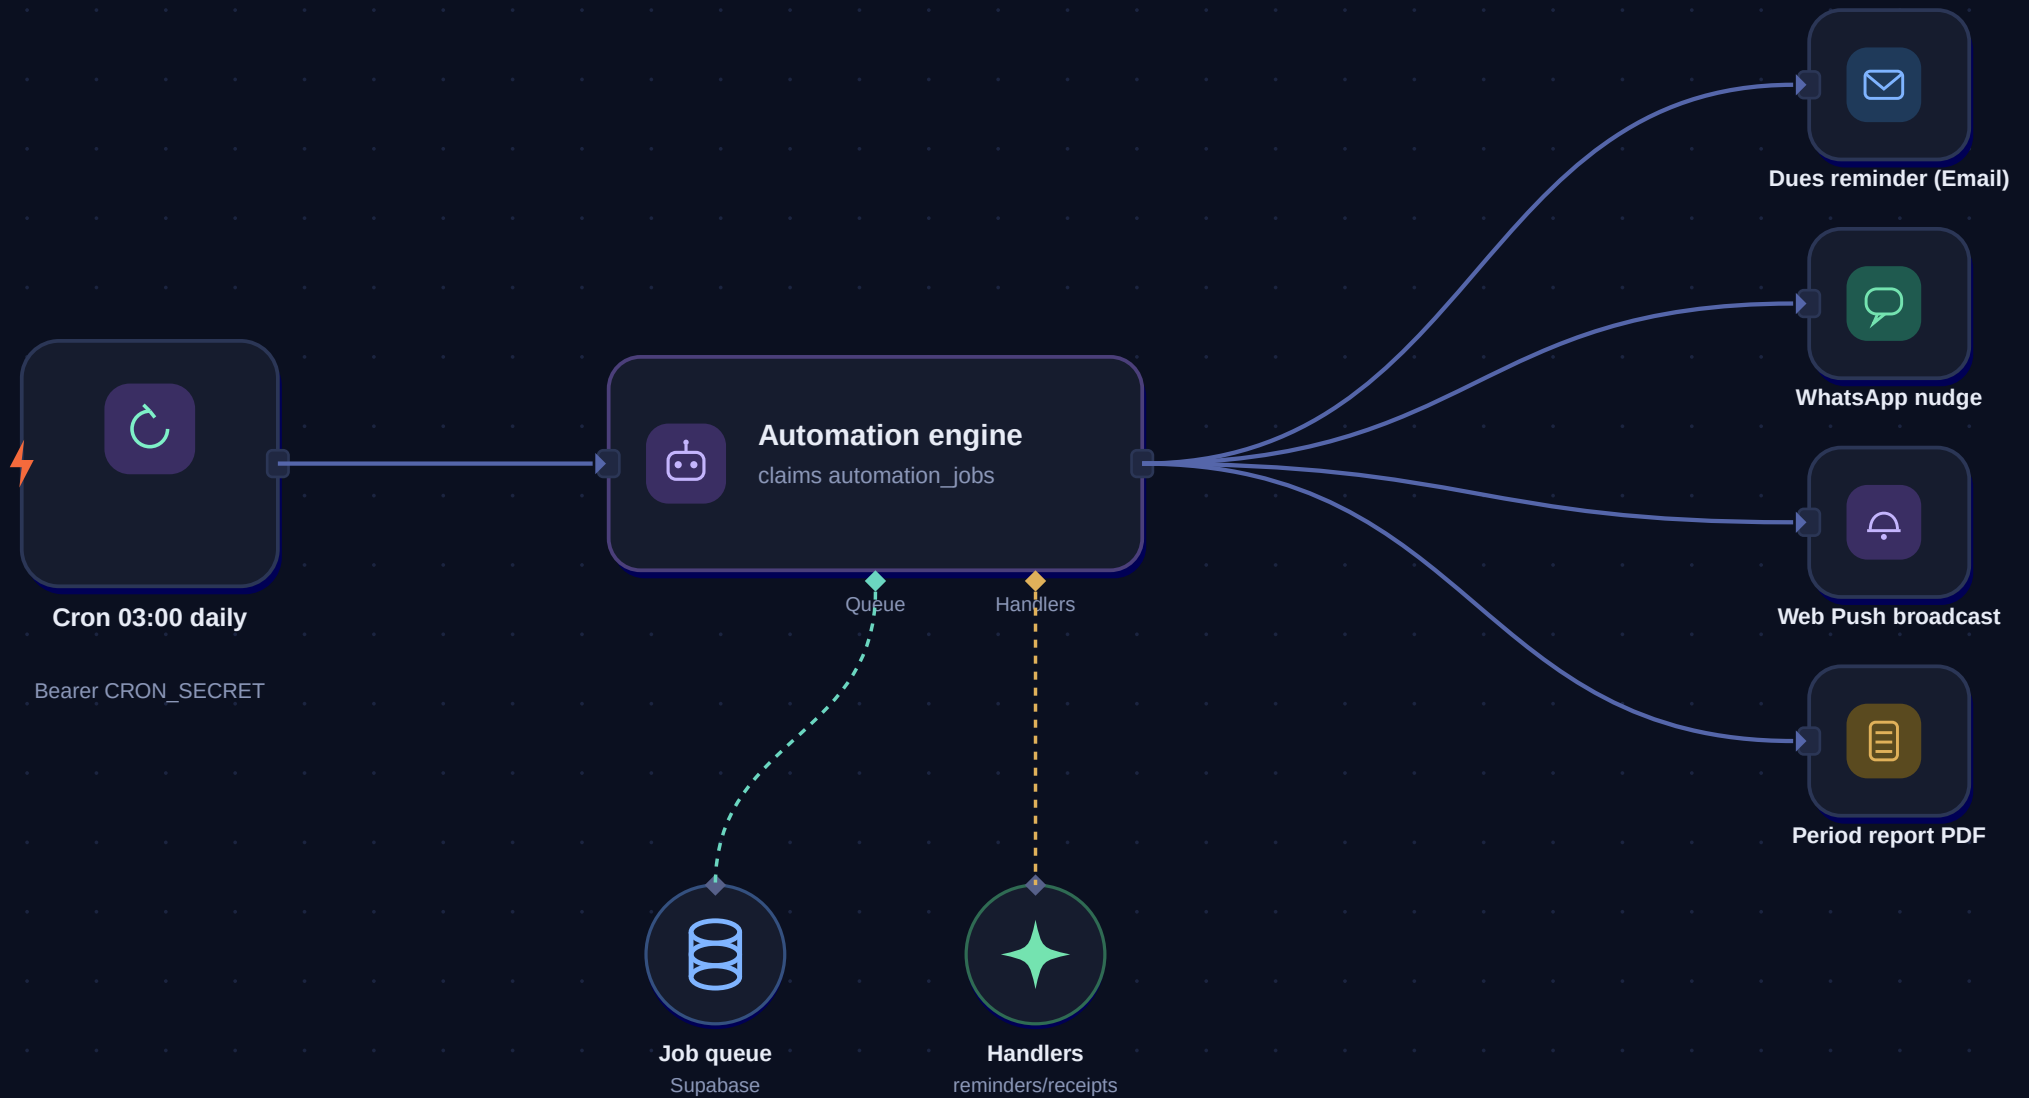

Workflow · Daily Automation (Vercel Cron)

Lions Club of Baroda Rising Star · automation canvas

Scheduled trigger -> automation engine claims jobs -> dispatch across channels & reports

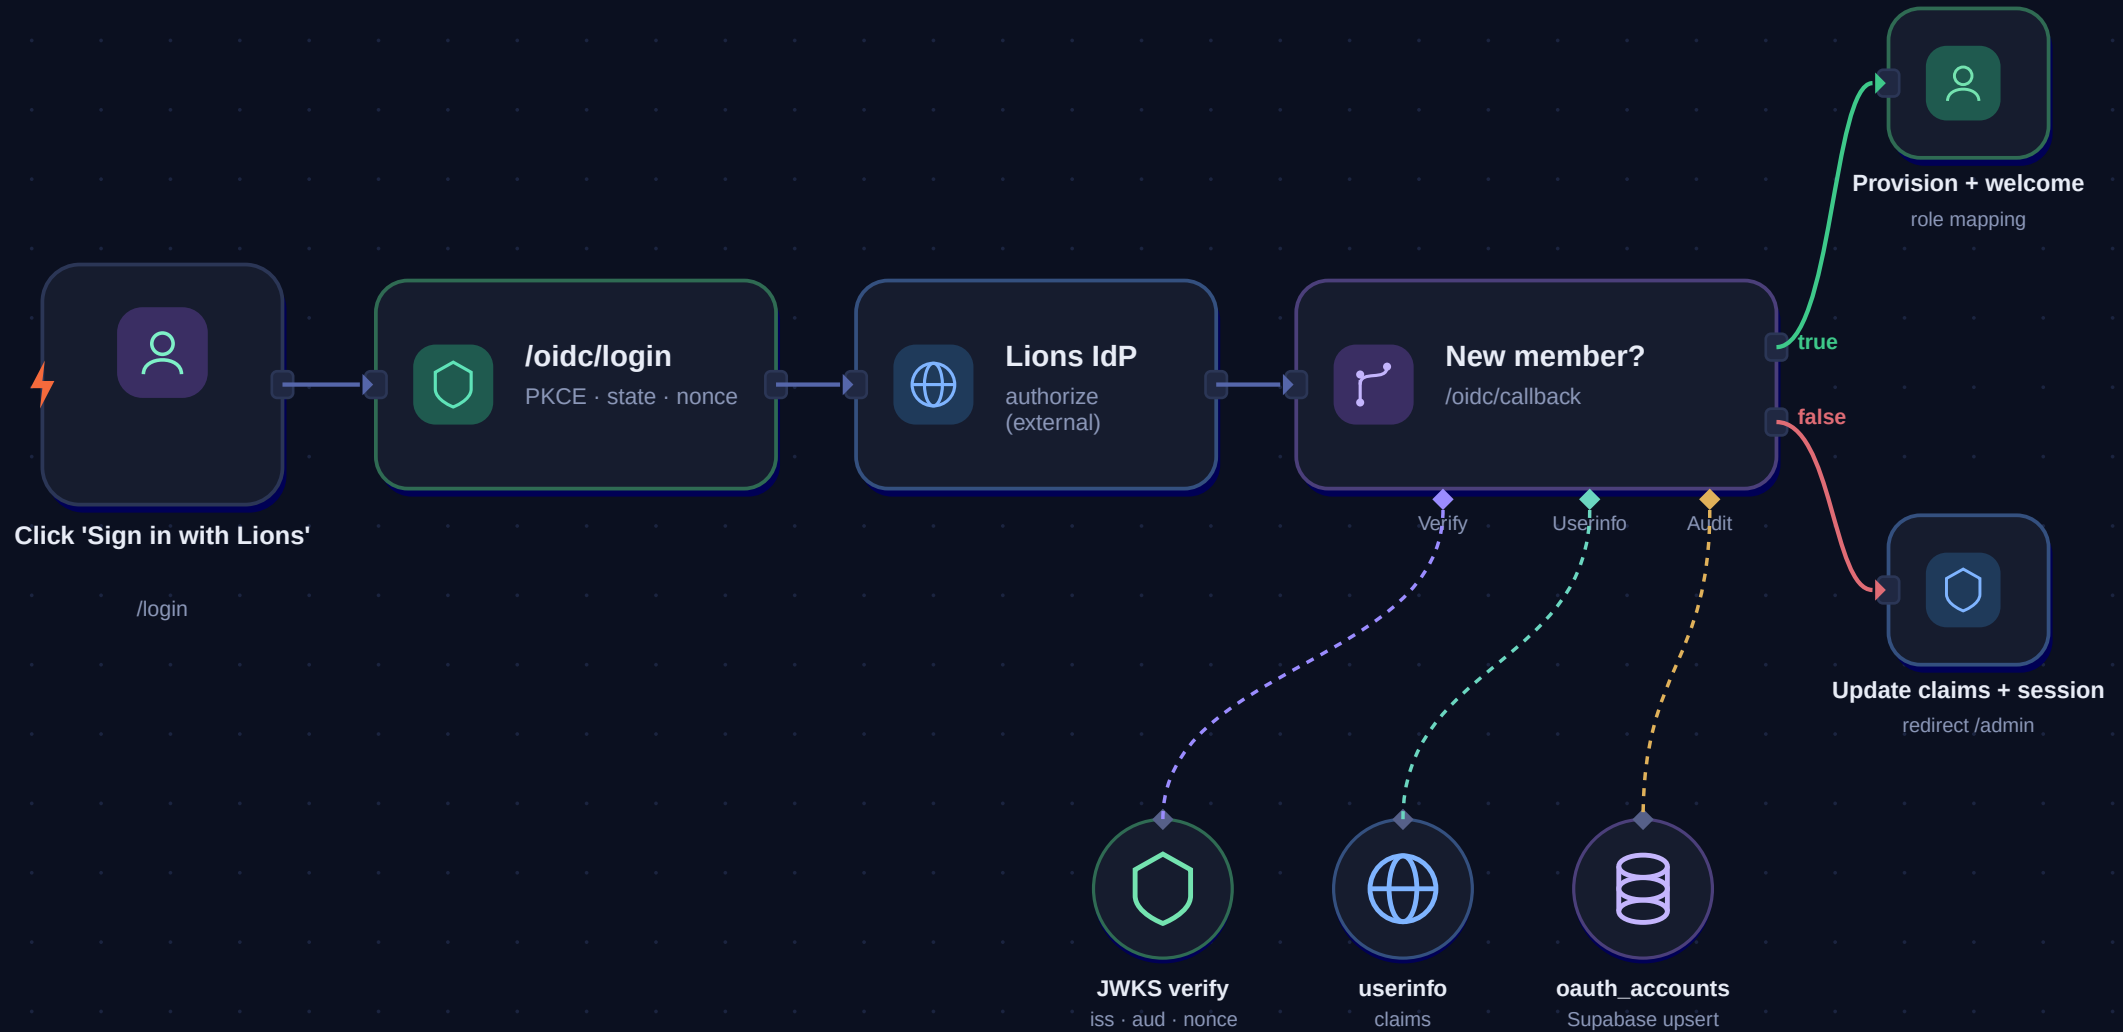

Workflow · Lions SSO Sign-in (OIDC)

Lions Club of Baroda Rising Star · automation canvas

PKCE + state + nonce -> token exchange -> JWKS verify -> member upsert -> session

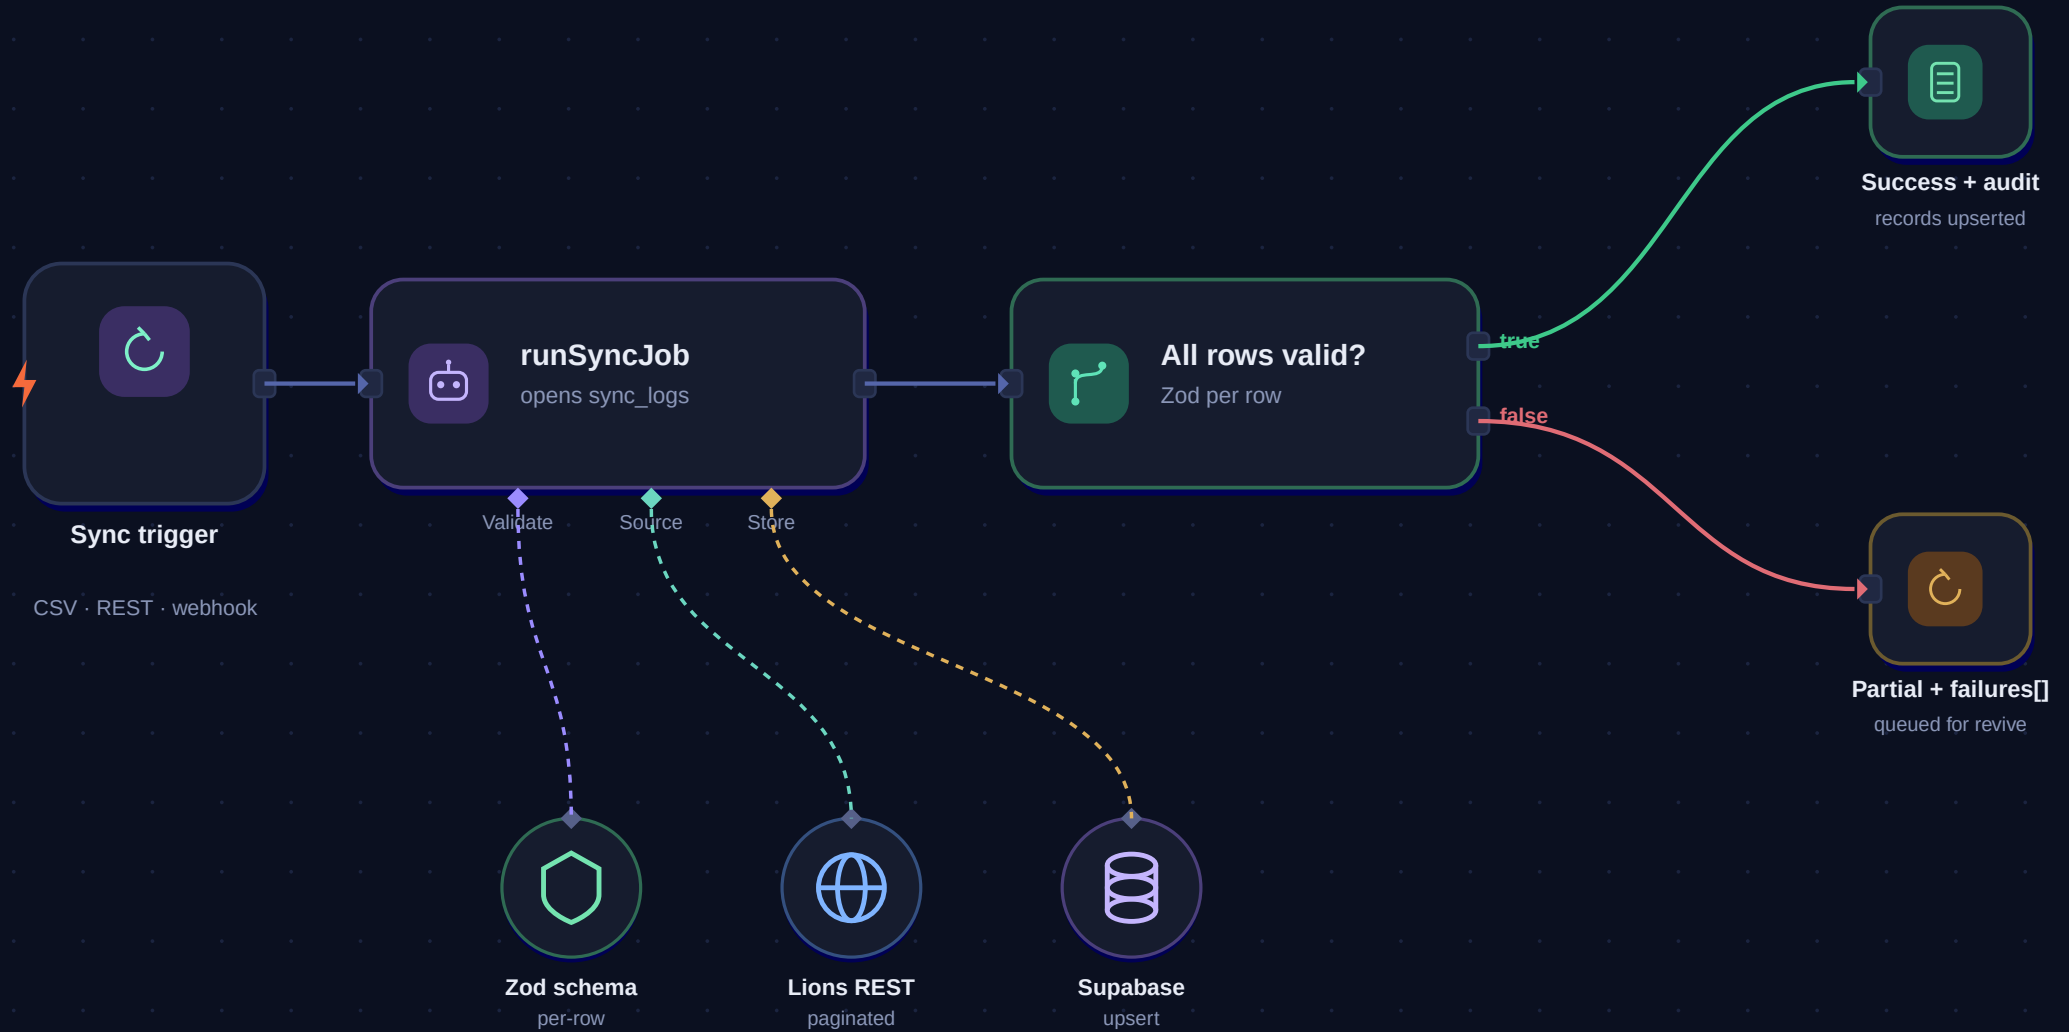

Workflow · Sync Engine (CSV · REST · Webhook)

Lions Club of Baroda Rising Star · automation canvas

Officer / cron / webhook -> runSyncJob -> Zod validate -> upsert -> audit + queue

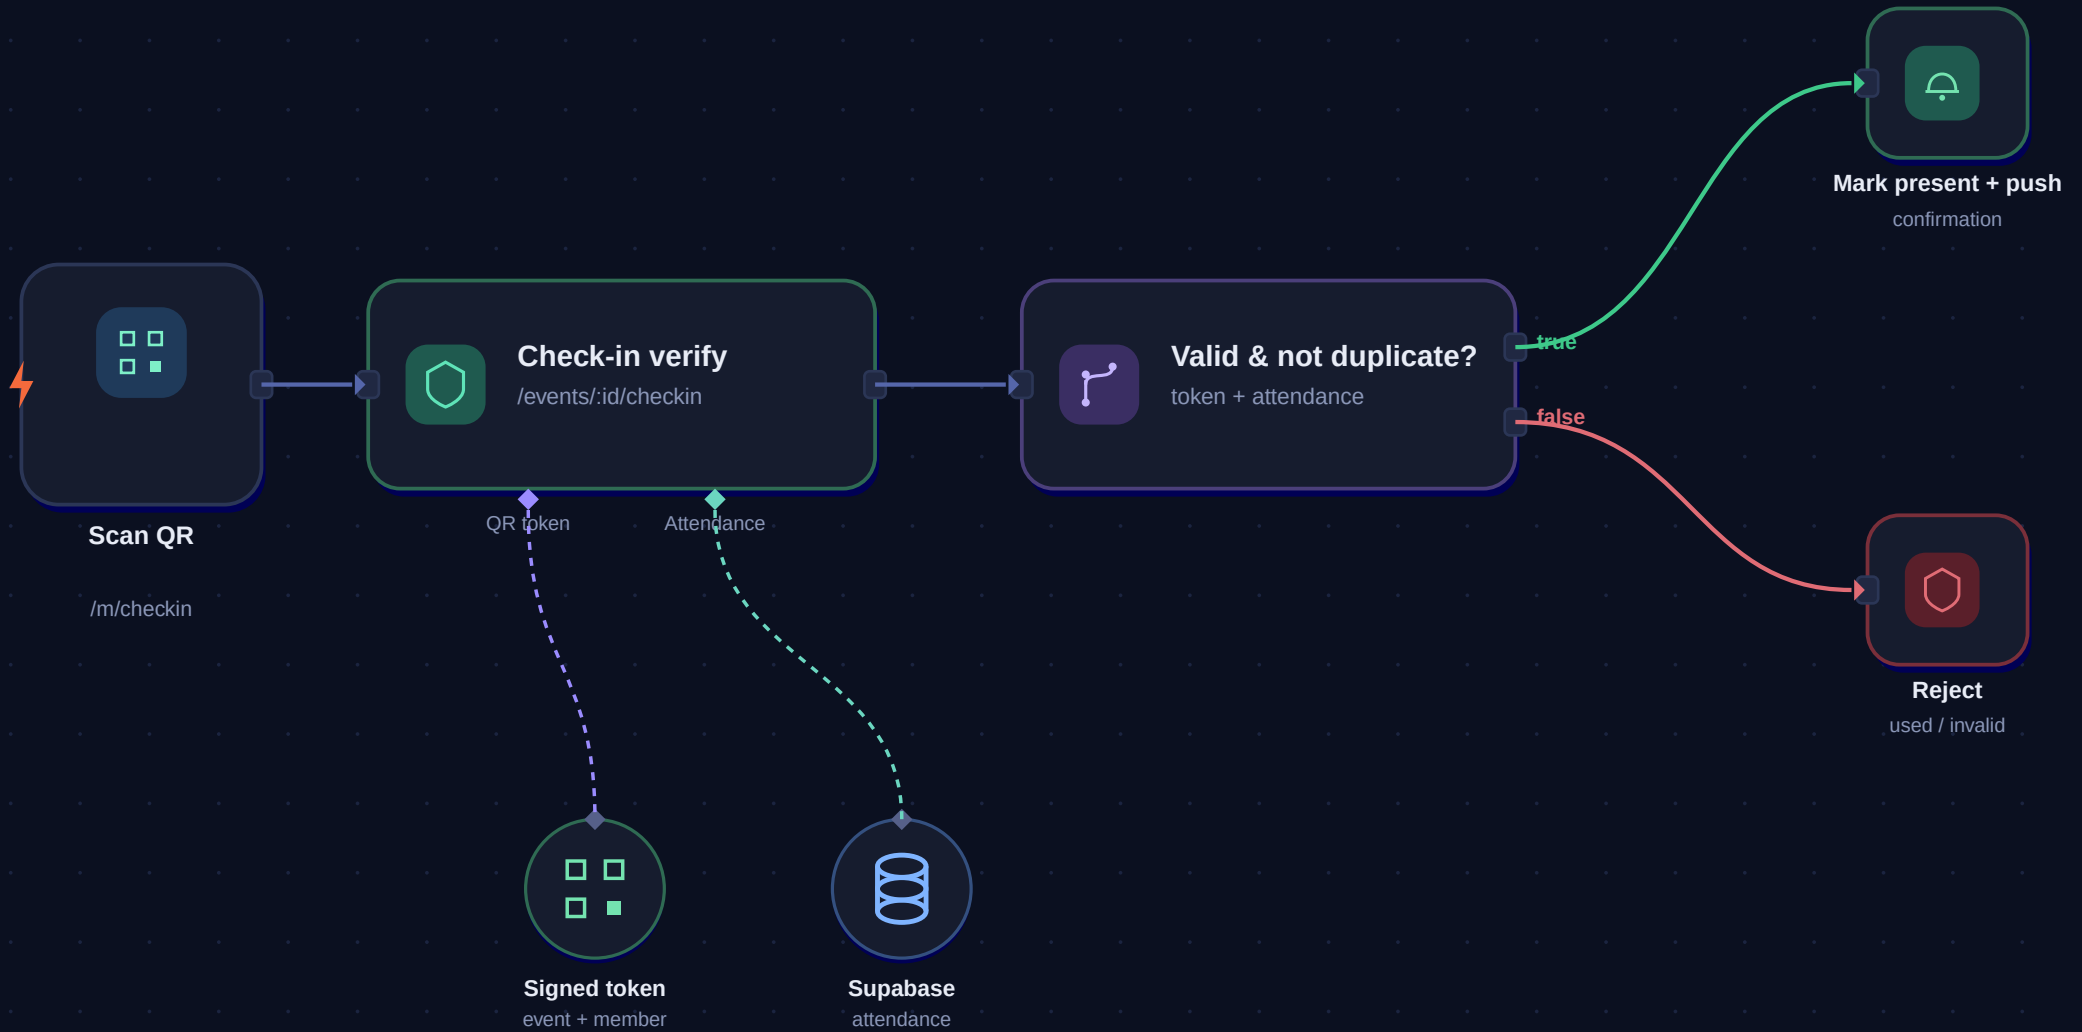

Workflow · Event QR Check-in (Mobile)

Lions Club of Baroda Rising Star · automation canvas

Scan QR -> verify token -> record attendance -> confirm / reject

Workflow · Invoice & Payment Collection

Lions Club of Baroda Rising Star · automation canvas

Create invoice -> generate & send -> /pay (UPI · Razorpay · PhonePe) -> reconcile / remind

Workflow · Social & Creative Publishing

Lions Club of Baroda Rising Star · automation canvas

Activity logged -> AI creative agent (copy + poster) -> approve -> publish to channels
